

# EDGE: Ahead

## EDGElings

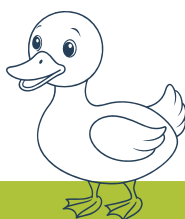

### SEN PROGRAMME

#### PROGRAMME OVERVIEW |

EDGElings is a new and exciting Stay & Play group that EDGE will be offering to the local community. The young people who attend this group will have a particular interest in childcare or working with children. They will be volunteering during the session learning how to develop and initiate games/activities, engaging children, understanding about health and safety and learning new skills. EDGElings will offer personal development opportunities, enhance employability skills and promote social inclusion.
